COMPLAINANT,

14 vs.

15 PAYSON WATER CO., INC.,

16 RESPONDENT.

DOCKET NO. W-03514A-08-0047

STAFF'S REQUEST FOR AN EXTENSION
OF TIME

17 On June 25, 2007, Steve Prahin filed before the Arizona Corporation Commission
18 ("Commission") a formal complaint (Docket No. W-03514A-07-0386) against Payson Water
19 Company ("Payson").

20 On January 5, 2008, Rebecca Sigeti filed before the Commission a formal complaint against
21 Payson (Docket No. W-03514A-08-0047).

22 On May 23, 2008, the Commission Hearing Division issued a Procedural Order consolidating
23 the complaints.

24 On August 5, 2008, Staff filed a Memorandum describing Payson's system capacity, before
25 and after installation of the Company's proposed improvements to wells and storage capacity. Staff
26 recommended that Payson increase its current production capacity and add at least 10,000 gallons of
27 storage by no later than December 31, 2008.
28

1 On August 19, 2008, Payson filed a Response to Staff Report in which the Company
2 concurred with Staff's recommended system improvements.

3 On January 30, 2009, Payson filed a Status Report – Water System Improvement Plan, in
4 which it indicated that it had implemented fully the proposed system improvement plan. However,
5 on February 3, 2009, Payson filed a Notice of Errata indicating that it was waiting for the Arizona
6 Department of Environmental Quality ("ADEQ") to issue an Approval to Construct for the second
7 10,000 gallon storage tank.

8 On March 6, 2009, Staff filed a memorandum stating its belief that Payson had completed the
9 projects listed in its System Improvement Plan with the exception of the second 10,000 gallon tank.

10 On March 16, 2009, Payson filed a Reply to Complainants' and Staff's Responses to Status
11 Report indicating that it no longer believed that a second 10,000 gallon tank was needed.

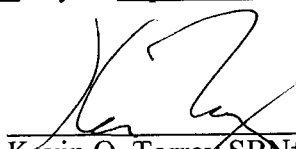

12 On July 27, 2009, in an effort to resolve the matter, the Hearing Division issued a Procedural
13 Order directing Staff to file, on or before September 18, 2009, a Response to Payson's March 16
14 filing. To that end, Staff issued a data request to Payson and scheduled a field inspection.

15 To date, however, Staff has not received a response to its data request. In addition, Staff has
16 experienced several scheduling conflicts which have prevented a second field inspection from taking
17 place. Both measures are necessary in order for Staff to provide a thorough response.

18 Staff has contacted Payson and avows that Payson has voiced its lack of objection to Staff's
19 request for time. Staff has not contacted either of the Complainants at this time.

20 WHEREFORE, Staff requests that the Hearing Division grant Staff an extension of time in
21 which to file the Response until Friday, September 25, 2009.

22 RESPECTFULLY SUBMITTED this 18th day of September, 2009.
